

BRING THEM HOME NOW!

HOSTAGES AND MISSING FAMILIES FORUM

freedomtags.org

In response to the horrific events of October 7th and the kidnapping of the hostages, the families of the hostages formed a volunteer-based forum called "Hostages and Missing Families Forum". Our focus is reuniting the hostages with their families.

We created these "Freedom Tags" to symbolize solidarity, and serve as a fundraiser for the Forum's ongoing efforts through diplomatic, medical, legal, and public awareness channels.

We invite you to show your support and help us continue fighting for this cause by purchasing our "Freedom Tags." Stand by the innocent civilians and their families - to bring them home now.

Together, we can bring them home.
